K Chandrashekhar Rao
Chief Minister of Telangana

TELANGANA ON THE RISE

It is a state largely defined as stable with dependable governance. Telangana is relatively a new entrant on the scene in terms of governance landscape, geographical and political entity as well as the SKOCH State of Governance Assessment. Interestingly, the young state steered by Chief Minister K Chandrashekhar Rao has come to be recognised as a consistent performer since inception in 2014, moving up against some much older, well-established governance heavy-hitters. The state is ranked #6 in SKOCH

State of Governance Report Card 2021. Telangana, based on its consistent performance in governance has featured amongst Top-10 since 2018.

IMPROVED SECTORS

#2 in Police & Safety

#4 in District Governance

Water sector remained unranked in 2020 but made a huge comeback to be at #4 in 2021. The Telangana State Ground Water Level Data Monitoring for Assessment of Gw regime status project is an important initiative.

In Urban Development the state is ranked #5. The Telangana State Building Permission Approval and Self-Certification System is found to be an important initiative.

3 NEW SECTORS

The state is ranked #1 in Handlooms & Textiles. The 40% Input Subsidy

Linked Wage Compensation Scheme and the Telangana Textile and Apparel Policy (T-TAP) are credited with the state's strong performance in the sector.

Telangana secured the second place in Irrigation. Mission Kakatiya is a highly impactful Irrigation project for 2021.

It is ranked #3 for Labour. The Online Services initiative by the Department of Labour is helping push the sector forward. ■
